General Information

Nature of the College

Chowan College is a two-year, co-educational college owned and supported by the Baptist State Convention of North Carolina.

Chowan follows in the time-honored tradition of smaller, church-related colleges where one finds such advantages as a real sense of "belonging" to the college family, sound academic instruction, economy in tuition and boarding expenses, and a definite interest in the individual on the part of faculty and administration.

Chowan is the second oldest (1848) of North Carolina's seven Baptist colleges.

While the enrollment of Chowan is about 1,000 students, with a plant evaluation of more than $16,500,000, the trustees and administration are determined that quality rather than quantity shall always be the primary consideration.

Chowan College exists for the student and seeks to fulfill its stated purpose within a framework of academic excellence, while maintaining a genuine Christian concern for every student.

Chowan College is operated on a non-discriminatory basis as regards to race, sex, color, age, creed, national origin, or handicap. This includes employment, admission, housing, scholarships and grants-in-aid, and public functions.

Purpose of the College

Chowan College, influenced by Christian ideals, endeavors to provide quality higher education and to help students gain a philosophy of life which will lead to their development into responsible Christian leaders and citizens.

The college seeks to fulfill the purpose through the following means: (1) employing faculty and staff who are compatible with the college's statement of purpose; (2) offering instruction in the standard academic disciplines for those students who plan to earn the baccalaureate degree in senior institutions; (3) providing vocational instruction, on a liberal arts foundation, for the ones who wish to terminate their formal education with one-year diplomas or two-year associate degrees; and (4) striving to meet the personal needs of the individual student through academic, social and spiritual counseling.

Heritage

Chowan College first opened its doors on October 11, 1848, as a result of interest and influence of the Baptists of Northeastern North Carolina and Southeastern Virginia. For 62 years, the institution was known as the Chowan Baptist Female Institute; in 1910, its name was changed to Chowan College.

The college was first located on the old Hertford Academy lot and it used the Banks Building and equipment. Three years later the college moved to McDowell Columns, a building which serves today as the campus administration building.

Chowan College remained open during the Civil War, although a number of southern colleges closed. By the latter part of the 19th Century, Chowan was recognized throughout the South for its high standards in scholarship and culture.

The 20th Century brought continued progress to the college by the way of additional buildings and equipment and the maintaining of consistently high standards. However, due to a shortage of students occasioned by World War II, the college closed its doors in 1943. Since its reopening in 1949, Chowan has had a phenomenal growth. It also received full accreditation from the Southern Association of Colleges and Schools in 1956. Chowan is today recognized as one of the outstanding two-year colleges in the nation.

Campus

The college's campus consists of 289 acres. The main campus is monumented with ancient pines and majestic oaks. A circular drive (seven-tenths of a mile in length) provides easy access to the campus facilities and encircles a beautifully landscaped oval lawn, which is divided by historic Pine Walk, the main approach to the graceful McDowell Columns.

Numerous new buildings, of both contemporary and modern design, provide comfortable space for living and study. Twelve of these buildings — four dormitories, five classroom buildings, cafeteria, infirmary, and library — are fully air-conditioned.

Buildings

McDowell Columns Building, erected in 1851, is a beautiful brick and concrete structure, with massive columns and broad veranda, so characteristic of the old South. This structure contains the administrative offices of the college. A later addition to "The Columns," the *South Building,* contains additional administrative offices, and an auditorium with a seating capacity of 600.

Whitaker Library, a three-story contemporary structure of modern design, was constructed in 1968 to shelve 100,000 volumes and contains space for 330 students and faculty in several reading areas. Also housed in this structure are the Baptist Collection and items of historical interest to Chowan College and the region of Northeastern North Carolina and Tidewater Virginia.

Daniel Fine Arts Building, a modern structure erected in 1968, contains space and equipment for music, drama, and art, including practice rooms and choral rooms for various musical organizations active on campus and functioning as part of the Department of Fine Arts. The office of the Chaplain to the College and an activities room for the Baptist Student Union — Campus Christian Fellowship are also housed in this facility.

Green Hall, erected in 1956, served as the science building until 1974, when science instruction was located in a new structure. The facility was renovated and now houses the Division of Art of the Department of Fine Arts. As a result of a bequest from former professor, Dr. David Henry Cooper, and in memory of his wife, Jo Piland Cooper, an aluma of the college, this facility was completely retrofitted in 1984.

Robert Marks Hall, was erected in 1963-64 and dedicated in May of 1964. Marks Hall is a three-story building of contemporary and modern design housing 23 classrooms, 22 faculty offices and equipment for closed circuit television. An outstanding feature of this facility is a large 175 opera-type seat lecture hall. The building was provided primarily by gifts from the family of the late Robert Marks of Boykins, Virginia.

Carrie Savage Camp Hall, constructed in 1972-73, houses the Departments of Science and Mathematics. This new, air- conditioned, three-story structure contains eleven laboratories equipped for learning in biology, chemistry, botany, physics, micro- biology, and anatomy- physiology, an environmental study area, eleven classrooms, departmental and faculty of-

fices, and a 110 seat auditorium. It contains 45,600 square feet of instructional space. Carrie Savage Camp Hall dedicated on May 19, 1974, is named in memory of Carrie Savage Camp (Mrs. J. L. Camp, Sr.), class of 1881. Miss Savage was the daughter of the Reverend Robert Risop Savage, chairman of the Board of Trustees of Chowan College, 1879-1889.

Penny Infirmary, erected in 1964, was provided primarily by the late Mrs. W. S. Penny of Raleigh. The facility serves both men and women with two floors of space, including treatment rooms, wards and complete air-conditioning.

Jesse Helms Physical Education Center, constructed between 1978-80, houses the Department of Health and Physical Education. This outstanding center contains three basketball courts, three handball courts, a weight room, training room, two classrooms, a mini-gym, locker rooms, offices and the Ruth Camp Campbell Indoor Pool. The facility is named in honor of United States Senator Jesse Helms of North Carolina.

Fieldhouse, constructed in 1977. Located adjacent to the Braves Stadium. The fieldhouse contains locker and shower facilities for home and visiting teams.

McSweeney Hall, housed the Department of Graphic Communications for a number of years and is named in honor of John McSweeney, the first Chairman of the department. When the department was moved to a new facility in 1983, McSweeney Hall was completely renovated (1983-84). It currently serves as a classroom building for instruction in computer science.

Horner Graphic Communications Center, constructed in 1982-83, houses the Department of Graphic Communications, a unique department of the college made possible by newspaper publishers of North Carolina and Tidewater, Virginia. The structure, containing 19,000 square feet, is fully air-conditioned and contains modern facilities for printing technology and photography. Members of the North Carolina Press Association assisted financially in the construction, and it is named in honor of William E. Horner, Sr., publisher of the Sanford Herald and a past president of the North Carolina Press Association.

Thomas Cafeteria, erected in 1959, is fully air-conditioned. It provides the main dining area and private dining rooms for special meetings of students, faculty, or other groups. During the summer of 1964 an addition was made to the cafeteria which doubled the dining area and now provides a student store and related facilities. This structure is named in memory of Dr. R. P. Thomas, long-time member of Chowan's Board of Trustees.

The President's Home is a two-story house at the entrance of the campus.

Belk Hall for Women, erected in 1964, is a three-story brick building. It houses 200 students and is fully air-conditioned. The structure is completely modern in design and provides lounges on each floor as well as convenient built-in furniture. The hall is named in honor of Mrs. Irwin Belk, Charlotte, North Carolina.

Jenkins Hall for Women, erected in 1958, is a modern and functional unit which provides attractive and desirable accommodations for young

women at Chowan. The residence was named in memory of Charles H. Jenkins and in honor of his mother, Mrs. Olivia Benthall Jenkins.

The F. O. Mixon Hall for Men, a two-story residence hall erected in 1954, accommodates 100 students. It has lounge space and an apartment for a dormitory resident.

Simons Hall for Men, was erected in 1960. The three-story brick building provides living accommodations for 118 students.

West Hall for Men was erected in 1963. The three-story brick building houses 216 students. It contains lounges on each floor, lavatories in each room, convenient built-in furniture and is fully air- conditioned.

Parker Hall is a nine-story men's dormitory, built in 1970. This beautiful building, located on Union Street, is fully air-conditioned and modern in every respect. It houses 280 men, and is named in honor of Elwood W. Parker, of Murfreesboro.

Lakeside Student Center was originally constructed in 1954 as a physical education facility. It was completely renovated in 1981. Available within this facility are an area for roller skating, the college post-office, a laundry facility, lounge areas, TV room, conference room, game room, SGA offices, and office of the Director of Student Activities.

Development

With faith in the support of its college family, alumni and friends, Chowan College initiated its Development Program in 1957. With the support of the college's Board of Trustees, Board of Advisors and other outstanding leaders and friends of the college, a virtually new Chowan has been built on this 135 year old campus. This exciting development program, which has been labeled a "modern miracle", is being accomplished within the frame-work of comprehensive long-range planning and sound fiscal management. Leaders from North Carolina, Virginia and other states give wise counsel and direction to the college.

It is significant that the college has operated in the black in each year of development and has kept cost to its students (tuition and fees) at the minimum level. The college makes every effort to gain the maximum educational mileage out of every dollar entrusted to it. In addition to

brick-and-mortar, Chowan has projected the financial resources needed to keep plant and program operating at top efficiency, to meet the intellectual and spiritual requirements of its students, to supply an adequate library and equipment needed to accommodate them, and to support the quality faculty necessary to lead them. Through the Annual Giving Fund Program, the college seeks annual support from a variety of sources to help underwrite the day-to-day operation of the College.

Campus Life

Orientation

Prior to enrollment all new students will receive a letter informing them when to arrive on campus for an orientation program. Orientation affords new students the opportunity to become acquainted with the aims and objectives of the college, its traditions and customs, the curriculum, activities, student leaders, faculty and staff members, and the college environment.

College Committees

Students are currently serving on the following college committees: Class Absences, Scholarship, Library, Athletic, Graduation, Housing, Judiciary, Cafeteria, Clothing and Etiquette, Publications, Intramurals, Hospitality, Health, Student Activities, Faculty-Student Relations, and Financial Aid.

The student members have voting rights and thus share in planning social, operational, and academic phases of the college.

College Organizations

New students are welcomed into all organizations except those whose members are invited in recognition of their eminence in scholarship, athletics, writing, music, dramatics or special phases of leadership. Announcements concerning organizational activities are posted on bulletin boards, published in the college newspaper, and noted in assembly bulletins and the weekly campus calendar.

Student Government

All students are automatically members of the Student Government Association of Chowan College. The organization offers them opportunities to become meaningfully involved in college-sponsored activities, to gain experience in democratic procedures and to participate in the operation of the college. Through the legislative, executive and judicial branches of the SGA, students have an opportunity to voice their points of view and recommendations to the administration. Also, within limitations of power granted to the SGA by the President of the College, elected student leaders administer and enforce policies which regulate life within the college community.

Religious Activities

A full-time chaplain is a member of the college staff. He seeks to interpret the place of religion in society and in the Chowan College community. He ministers to students by helping them translate their worship into Christian living. All religious activities, including the weekly assembly programs, are coordinated by the chaplain.

A varied program of religious activities is offered to challenge the interest of students and to meet their needs. Opportunities for effective service, spiritual growth, and social fellowship are provided for students through the activities of the Baptist Student Union — Campus Christian Fellowship, Fellowship of Christian Athletes, and the Ministerial Alliance. During Evangelism Week and Christian Emphasis Week, students have the opportunity to hold individual and small group conferences with guest speakers.

Students are invited by the churches of Murfreesboro and the surrounding area to participate in their worship services. Located within Murfreesboro itself are Baptist, Methodist, Episcopal and Assembly of God churches. Other churches located in the immediate vicinity of Murfreesboro are Roman Catholic, Presbyterian, Friends, Latter Day Saints, Free Will Baptist and Church of God. The closest synagogue is located in Weldon, North Carolina.

Alpha Pi Epsilon (Alpha Pi Chapter) is a national honorary, scholarship society for secretarial students. Its ultimate purpose is to professionalize the status of college-trained young men and women. Motto: "First in Scholarship, Leadership, and Cooperation." To be eligible for membership in the organization, a student must possess the qualities of accuracy, dependability, and initiative; be recommended by the Department of Business

Faculty; and earn a three point-plus average in business and in the liberal arts.

Phi Beta Lambda (Mu Zeta Chapter) is a national business fraternity, affiliated with both state and national organizations. The fraternity's primary purpose is to develop the business and civic leadership qualities that will enable young men and women to be highly successful in tomorrow's competitive world of work.

College Publications

All Chowan College publications, brochures, and booklets, are produced by students under the instruction and supervision of faculty members in the Department of Graphic Communications.

The Chowanian. This is a pictorial periodical disseminating information about Chowan College to alumni, high schools in North Carolina and Virginia, and friends of the college.

The Chowanoka. This is the yearbook, edited by a staff of students with the guidance of a committee of faculty advisors. Student staff members are responsible for the layout and design of this publication.

Smoke Signals. This is a bi-monthly newspaper edited by students under the supervision of a faculty advisor. It carries news and pictures of student activities.

The Student Handbook. This publication contains information about social rules and regulations for Chowan College students. It is distributed and studied during orientation programs.

All student publications must be approved by the administration before they can be printed and circulated.

Drama

For students interested in theatrical activities, Chowan Players offer opportunities for helping to produce plays for the college community. Plays ranging from classic to modern are selected.

Music

Membership in the *College Choir* is open to all students who are interested in choral music. On-campus appearances of the Choir include annual Christmas and Spring Concerts.

Membership in the *Chowan Touring Choir* is selected by audition from the College Choir. The Touring Choir makes several off-campus and television appearances during the year and takes an extended tour in the Spring. Membership in the *College-Community Chorus* is open to all students and persons from the surrounding communities. This organization presents two concerts, one in the fall and one in the spring, each accompanied by orchestra.

Membership in the *College Stage Band* is open to all students who are interested in playing band music.

The *Chowan College Orchestra* is open to all students, faculty and community persons with the permission of the director.

Other *Ensembles* are organized from time to time as the demand exists.

The Chowan College Concert Association brings outstanding vocal and instrumental musicians to the campus four times each year.

Cultural Activities

Through the combined facilities of the college and the community, students have the opportunity to attend numerous programs — lectures, plays, concerts, receptions, recitals, motion pictures, and art exhibits — designed to enrich their educational experiences.

The Chowan Student Government Association, through the help of the Student Activities Committee, sponsors an entertainment series which brings popular groups to the campus.

Social Life

Many occasions for individual and group expression are offered by college-sponsored student organizations. Included are motion pictures, a comprehensive intramural program, and a variety of residence hall and club events. The Student Government Association is actively engaged in sponsoring a broad range of social and entertainment events.

Chowan College Speakers Bureau

Students, faculty, and staff members are available as speakers through the Office of College Relations. Citizens of the Chowan College Community serve as guest speakers at convocations, banquets, civic clubs, commencements, PTA meetings, social affairs, and church activities. The Speakers Bureau serves as a link between the college and friends of the college.

Intramural Sports

Recognizing the importance of physical education in maintaining good health, Chowan makes available to every student an extensive program in intramural athletics. This program is conducted under the supervision of the Department of Athletics and Student Development staff. Intramural teams are organized according to residence halls and are highly competitive. Men and women compete in flag football, volleyball, basketball, and softball. Other programs for men include football skills, cross country, tennis, pool, ping pong, foul shooting, wrestling, weight lifting, and swimming. Other programs for women include tennis, ping pong, cross country, and swimming. The intramural sports program helps the college to advance its purpose by promoting physical recreation and good sportsmanship.

Intercollegiate Athletics

The Director of Athletics has general supervision of intercollegiate activities. Chowan College is a member of the National Junior College Athletic Association, the Tarheel Junior College Athletic Conference and the Coastal Football Conference and is governed in matters of eligiblity by the constitution and bylaws of these organizations.

The intercollegiate program at Chowan is divided into sports for women, sports for women and men, and sports for men. Varsity competition for women includes volleyball, basketball and softball. Both women and men participate on the same varsity golf and tennis teams. The varsity cheerleading squad is composed of men and women and is sponsored by the Department of Athletics. The intercollegiate sports program for men consists of football, baseball, basketball and wrestling.

Fellowship of Christian Athletes

A chapter of Fellowship of Christian Athletes is sponsored by faculty members and coaches in the Department of Athletics. Members of this group meet twice monthly for breakfast in Thomas Cafeteria.

Chowan Traditions

Chowan College has certain customs and events which have become a traditional part of the College.

Homecoming. Homecoming is observed in the fall in connection with a football game, and events for the day are planned by the Student Government Association and Student Development. The Alumni are honored at this event. Half-time activities at the football game include the coronation of the Homecoming Queen and the presentation of the Court.

Parents' Day. This is a day when all parents are invited to the campus. The day includes the President's Reception and a scheduled time when parents can meet with the professors of their sons and daughters. Parents' Day in the fall is observed in connection with a football game. In the spring it is scheduled concurrently with a basketball game.

Spring Festival. Activities for Spring Festival are planned by the Student Government Association and Student Development. Field events, a concert, and a formal dance are part of the activities. The highlight of the event is the crowning of the Spring Festival Queen and recognition of her Court.

Counseling and Career Development

A counselor is available to work with students in learning to cope with or resolve personal problems, to assist students in developing decision-making skills and self-understanding, and to give assistance and support in time of crisis. From time to time small-group sessions are conducted for students who have mutual concerns. All counseling sessions are regarded as confidential.

Assistance with educational planning is available to those who desire help with changing a major or when making plans to transfer to senior institutions. A collection of catalogs from schools to which Chowan graduates frequently transfer and other helpful information is maintained

in the Counseling and Career Center and available to students for browsing. Vocational inventories and personality indicators are available to be administered and interpreted by the counselor to students upon request. Current information on various careers is also maintained in the Center.

Each student is assigned an academic advisor who is available for academic as well as personal counseling. Academic advisors assist their advisees with matters related to programs of study, course requirements, and class schedules. Advisor-Advisee meetings are held twice each semester and students are expected to confer individually with their faculty advisors at least once each semester.

Student Mail and Messages

Every student, whether boarding or day, is assigned a post office box and receives mail and intra-college messages through the College Post Office, which is located in Lakeside Student Center.

Student Center

Originally constructed in 1954 as a physical education facility, the building was completely renovated in 1981, leaving the basketball court for large group activities and roller skating. Housed within Lakeside Student Center are the college post office, a laundry facility (washers and dryers), an equipment check-out room and the offices of the Student Government Association, the Director of Student Activities and Intramural Sports and the Director of Postal Services. Also, for the benefit and enjoyment of students, Lakeside Student Center contains lounging areas in the balcony and on the main floor with an adjoining room with a wide-screen television, a conference room, a game room and an area with ping pong and pool tables.

Health Services

Each incoming student is required to forward to the Office of Admissions a Chowan College Medical Examination and Health Report. This report is filed in the Office of the College Nurse who maintains a health record on each student.

A Registered Nurse is on duty from 7:30 a.m. until 4:00 p.m. daily,

Monday through Friday. A member of the Student Development staff is on call during weekends. The services of local physicians are used by Chowan students. Such services and any prescriptions are the financial responsibility of each student. Hospital accomodations are available in Ahoskie, a twenty-minute drive from the College.

In keeping with the policy on class absences, boarding students who must miss classes because of illness should consult the nurse before the time the class meets to obtain a medical excuse. Day students who miss classes because of sickness must bring a note from home or from a physician in the case of prolonged illness.

Beds in Penny Infirmary are used primarily for acutely ill students who respond rapidly to rest and conservative treatment. If the student's condition worsens or response to treatment is slow, arrangements are made for treatment and laboratory studies according to instructions from parents.

Student Insurance

Chowan College carries Accident Insurance on all students who are enrolled for a given semester. After the insurance is in force, it applies at all times, on and off the campus. The individual student is responsible for seeing that his claim is filed. We strongly recommend that a student maintain a personal health insurance policy. International students are required to purchase hospitalization insurance through the Business Office of the College before registering for classes.

Thomas Cafeteria

Thomas Cafeteria seats 750 persons. All resident students and students staying in approved homes are required to take their meals in Thomas Cafeteria.

Students and faculty serve on the *Cafeteria Committee,* which meets monthly with the Food Service Director to discuss all matters dealing with food service.

Identification Cards

Until permanent ID cards are issued, the Bursar's receipt serves as a temporary means of identification. Once ID cards have been received, students are responsible for having them in their possession at all times, on and off the campus.

Since students are required to present ID cards when eating in Thomas Cafeteria and cashing checks in Murfreesboro caution should be taken in caring for the card.

Any Chowan student must produce his identification card when called upon to do so by an authorized official of the college, or any authorized civil official.

Lost ID cards can be replaced for $3.00.

Lending an ID card or using another student's ID card is forbidden and is considered an act of falsification.

Motor Vehicle Regulation

Motor vehicles may be kept on campus providing they are properly registered through the Office of the Business Manager of the College and the Office of the Campus Safety and Security Officer. The request to register motor vehicles will be initiated through the Office of the Business Manager. Students receive a car registration decal when they register their vehicles and pay the registration fee. Decals must be displayed as designated by existing policy. The parking lot to which the car has been assigned is shown on the registration decal. Parking violation tickets are given to persons who park in unauthorized areas. Improper parking and disregard for vehicle regulations may result in the forfeiture of one's right to have a vehicle on campus. Towing and immobilizing are enforced.

The registration fee for any motor vehicle is $15.00 for either or both semesters of the same academic year. Registration fees are non-refundable under any circumstances.

While the college will, through its normal security measures, attempt to patrol parking areas, the college assumes no liability for personal property of others; moreover, the college has no insurance to cover losses the owner may experience.

A student is expected to observe the car regulations given him at the time of registration. If a student is given a campus traffic ticket, he is expected to pay the amount of the fine in the Business Office of the College. Unpaid fines will become a part of the individual's College account. Transcripts are placed on a non-release status until motor vehicle fines are paid.

Bicycle Registration

The college encourages students to bring bicycles to the campus. Bicycles are registered through the Office of the Security Officer. Registration decals are given to students without charge.

Registered bicycles are:

1. More easily found in case of theft.
2. Stored, upon request of the owner, by the Superintendent of Buildings and Grounds during vacations and between semester.
3. Provided spaces in bicycle racks.

Bicycles are not to be parked in residence hall rooms, halls or stairwells. Racks for parking bicycles are provided in each residence hall area.

Laundry

Arrangements have been made with a linen supplier to furnish a boarding student two sheets, one pillow case, and three bath towels each week. The linens are distributed weekly to individual lockers in the residence halls. Further information and a reservation card will be mailed to students prior to the beginning of the fall term. There is a fee for this service and students participate on a voluntary basis.

Token operated washers and dryers have been placed in Belk and Jenkins Halls. A campus-wide laundromat is available to all students in Lakeside Student Center. A privately owned laundry service is located within two blocks of the campus.

Living Accommodations

All students who do not live in Murfreesboro or near Murfreesboro with their parents must live on campus unless given permission in writing to seek rooming accommodations in conveniently located private homes which have been approved by the Director of Housing.

Room assignments are made in the Office of the Director of Housing according to the date of advance payment of $100.00 and information received through a roommate compatibility questionnaire. Chowan administers a liberal room change policy. However, no resident is permitted to change rooms without written permission from the Director of Housing. Students making unauthorized changes are subject to penalties. Furnishings will not be removed from an apartment, room, hallway, bathroom, kitchen, dining room, lounge or any other area, in any residence hall without permission from the Office of the Superintendent of Buildings and Grounds.

Pets cannot be kept in residence halls.

Residents are required to keep their rooms clean and in order. Occupants are held responsible for any damage to their rooms and furnishings. The cost of damage to the building outside the occupant's room may be charged on a prorate basis to the residents of the facility.

Students who attend Chowan College should be prepared to live in a way which reflects consistency with the purpose of the College and in a manner that demonstrates respect for the rights of their fellow students and the College. Successful residential living requires all parties to be mindful of their rights and responsibilities. Residents have a right to study, rest and relax in a pleasant, safe and clean environment. Residents have an obligation to respect these basic rights of their fellow students. The College is responsible for maintaining conditions which contribute to wholesome residential living.

Residence Hall Programs

With assistance from the Associate Dean of Students, residence hall programs which enhance the out-of-class activities of students are planned by officers of residence halls and residence directors. Residence hall programs are presented by faculty, students and resource persons from the area. These programs vary according to the common identifying interests of students. Drug Abuse, Self Protection and Security, The Judicial System, International Relations, Fire Safety, Hunting Safety, Law and the College Student, How Paper Is Made, How To Be A Survivor, and Computer Systems are some of the more popular programs in recent years.

Campus Guidelines

To insure a mutual understanding and appreciation of Chowan's position on certain issues, the following campus guidelines are listed below:

1. The College will not tolerate student disorders. Any student found guilty of violating the Chowan College Policy on Student Disorders, a policy explained during orientation programs, will be subject to suspension or expulsion, depending upon the nature of the violation.

2. The College is opposed to the use of alcoholic beverages by students. Drinking or the possession of intoxicating beverages on the campus is not permitted.

3. Gambling, lying, cheating, stealing and other forms of unacceptable behavior may be cause for suspension.

4. Any student who, without medical prescription, possesses, transports, or engages in the illegal sale of amphetamines, barbiturates, hallucinogenics, narcotics, and marijuana will be subject to dismissal from the college.

5. The possession of firearms and pyrotechnics, whether in residence halls or any other place on the campus, is prohibited both by College policy and state law.

6. The College maintains a system of single sex residence halls. Women live in Belk and Jenkins Halls. Men reside in West, Simons, Mixon and Parker Halls. Violation of the policy on single sex residence halls may be cause for suspension.

Discipline

Ultimately, college discipline is in the hands of the Student Government Association, Student Development Deans, and the President, who administer policies adopted by the Board of Trustees. The purpose of discipline is to maintain order in the institution and to develop good character in its students. At Chowan discipline is guidance oriented. Fortunately, other means are seldom needed to secure good conduct, but when necessary, they are used in varying degrees from a call down to expulsion. The College reserves the right at all times to exclude students whose conduct or academic standing it regards as undesirable without specifiying any further reason for exclusion. In some cases, fees will not be refunded, in whole or in part, and neither the college nor any of its personnel or officials shall be under any liability whatsoever for such exclusion.

Furthermore, the college reserves the right to change its policies upon proper notice.

Financial Information

The average cost to CHOWAN COLLEGE over and above what the student is required to pay is approximately $2,000 per student. This amount is contributed by the Baptist State Convention of North Carolina, the Independent College Fund of North Carolina, Inc., churches, individuals, corporations, foundations, and from endowment funds of the college.

As a private, church-related college, Chowan must seek additional financial support from its college family, alumni, parents, friends, businesses, corporations and foundations to provide special funds needed for projects over and above those which tuition and endowment sources can support. These gifts have permitted Chowan College to keep its tuition and fees at a minimum level while elevating its educational program toward a position of esteem among independent liberal arts institutions. Every effort is made at Chowan College to keep student fees and tuition at the lowest possible level, realizing that actual instructional and service costs exceed the stated charges. We encourage parents and others who are able and willing to make gifts through the Chowan Parents Association to assist in keeping cost and fees to the student at a reasonable level and strengthen the educational program of the college. Such are tax deductible and gifts should be made payable to the Chowan College Parents Association and mailed to Chowan College, Murfreesboro, North Carolina 27855.

Classification Of Students

Chowan College has two classifications of students: *Boarding* and *Commuting*. A *Commuting Student* is considered to be one (1) who is obviously a resident of Murfreesboro, (2) whose permanent residence is in such proximity to Murfreesboro that he drives to and from the college each day, or (3) who is married and has established a residence for his family in the Murfreesboro area. *Boarding Students* include all students who live in college dormitories.

By order of the Board of Trustees, all students rooming in college dormitories are required to take their meals in the college dining hall. Such students are classified as *Boarding Students*. Board and room fees do not include holiday periods. *Boarding students* are required to live on campus. While the college cooperates with students in honoring their dorm and roommate choices, the college does reserve the right to make room assignments for students. Moving without prior permission from an assigned room is prohibited (see item 7 under Financial Regulations).

An international student who has administrative approval to live off campus is charged as a boarding student, less room and board.

Deferred Payment Fee

Although it is the policy of the College, as authorized by its Board of Trustees, to collect all tuition and fee payments before a term begins, it is recognized that upon occasion some parents and students may experience unexpected problems in complying with this policy. Therefore, when satisfactory terms are requested and arranged with the Business Office for a delayed payment, there will be administered a DEFERRED PAYMENT FEE of $10 for the first 30 days and $5 for each succeeding 30 day period not to exceed $20 for a given semester. This fee is not to be considered an interest charge, but instead covers the cost of administering a student's account on an individual basis.

Budget Payment Plan

College policy, as authorized by the Board of Trustees, requires payment of all fees prior to class registration unless satisfactory arrangements for the payment of fees is made well in advance of a semester with the College Business Office. One method suggested for your consideration is the 10 month Budget Payment Plan which provides that parents may enter into agreement with the college to pay any amount up to the full cost of tuition and fees in ten equal installments. Each monthly payment must be made by the fifth of the month commencing June 1 or the agreement may be cancelled. There are no interest charges, and the agreement is not to be considered a loan. A LATE MONTHLY PAYMENT MAY RESULT IN DEFERRED PAYMENT FEE (see preceding paragraph).

Financial Aid

The primary purpose of the financial aid program at Chowan is to provide assistance for those students who could not otherwise attend college. Assistance is available in several forms: scholarships, grants-in-aid, loans, and part-time employment.

To be considered for financial aid,the student must:

1. File a need analysis form with either American College Testing (Family Financial Statement) or College Scholarship Service (Financial Aid Form). List Chowan to receive the results. This information is used in determining the amount of assistance to be offered. This form should be filed by March 1.

2. Check on the need analysis form to be considered for Pell Grant. When the Student Aid Report, is received, send all three copies to Chowan College.

3. Apply for State Student Incentive Grant.

4. Be accepted for admission to Chowan College or be making satisfactory academic progress. (See Below.)

5. Transfer students must submit Financial Aid Transcripts from each college attended.

A need analysis form with the request for consideration for Pell Grant must be filed for each academic year.

A full-time student will be academically eligible to receive financial assistance through the federal Title IV programs (Pell, SEOG, NDSL, CWSP, SSIG, GSL, and PLUS) and the North Carolina Contractual Grant Program for three and one-half (3 1/2) years if he meets the conditions given below. A student who enrolls for less than full-time will have the period of time he or she can receive assistance pro-rated.

The first condition is that a full-time student must pass at least eighteen (18) hours per academic year, unless he is enrolled in non-credit courses. Students enrolled in non-credit courses must pass one additional hour for each non-credit course attempted. Part-time students and students not enrolled for a full academic year will be required to pass a pro-rated share of semester hours. (Some state programs and guarantors for GSL will have stricter requirements.)

The second condition is that a student must maintain an acceptable quality point ratio:

HOURS ATTEMPTED	QPA
1-32	1.20
33-49	1.40
50-66	1.60
67-83	1.80
Over 83	2.00

Records will be reviewed at the end of each academic year.

If a student breaks tenure for at least one year, he will automatically be eligible for renewal of financial aid for the first academic year of re- enroll-

ment. The above conditions will not be used until a subsequent year has been completed.

A student who does not meet the above requirements for renewal of his financial aid and who attends Chowan without aid can have his records reviewed at the end of each enrollment period (semester or summer session).

Non-credit courses will count as three hours attempted. Grades of "S" will count as 6 quality points. A grade of "U" will count as "0" quality points.

A student who fails to meet the Standards for Academic Progress will not be eligible to receive financial assistance.

A student denied financial aid may make an appeal in writing to the Financial Aid Committee if:

1. The student thinks an error has been made in determining he is not making satisfactory progress; and/or

2. The student feels there are mitigating circumstances which affected his meeting the satisfactory progress standards for financial aid.

Consideration for aid is given to citizens and permanent residents of the United States regardless of race, creed, color, national origin, or sex.

Commuting students are eligible to receive only half the amount of college funded scholarships and grants in-aid. Moreover, a student is eligible for only one college funded scholarship unless otherwise indicated. College funded scholarships and grants in aid are not available for summer school or for students enrolled for less than twelve semester hours.

The Director of Financial Aid is available to counsel with students and prospective students about financial aid.

Financial Aid Refund Policy

If a student receiving financial aid withdraws from the college during the official refund period as designated in this catalog and if there is a refund to be made, the financial aid program will be refunded before any actual refund is given the student.

General Endowment of the College

The General Endowment of Chowan College is gradually increasing, and is carefully safeguarded as to its investment. The Planters National Bank and Trust Company of Rocky Mount and Ahoskie is the agent of the Chowan College General Endowment Fund.

The college Board of Trustees has begun a concentrated effort to increase the General Endowment to five million dollars. Gilbert W. Francis, attorney of Boykins, Virginia, is Chairman of the Endowment Committee, which is giving special time and effort to this endeavor. The book value of the Endowment Fund passed the one million dollar mark in 1976, not only reaching a new high but marking the most significant growth in the history of the College.

Stephenson, long time friend, benefactor and Chairman of the College Endowment Committee. Dr. Stephenson was the driving force and strong advocate of General Endowment for Chowan College and for almost two decades lent his influence and gave legal advice to many people that they might follow his example of remembering Chowan College in their will. Eldridge (Sub) Smith of Franklin, Virginia, in honor of Dr. Darden and in recognition of his outstanding accomplishments as a statesman, scholar, political and educational leader. Dr. Darden has served his state as governor, and is a former president of the University of Virginia.

The E. Lee Oliver Fagan Chair of Bible and Religion was established in 1975 by Lee Fagan of Stanardsville, Virginia, in honor and memory of his mother. The late Mrs. Fagan was an alumna of the college, class of 1893. The college Board of Trustees recognized Mr. Fagan's gift as being the largest single contribution ever received for Endowment purposes.

College officials, when requested to do so by interested persons or their attorneys, will provide, at no obligation whatsoever, professional and legal advice regarding wills in behalf of the college. President Bruce E. Whitaker stands ready to counsel with such parties at their convenience. The legal name to be used for this purpose is *Chowan College.*

Admission and Academic Information

Degrees Offered

Chowan College offers various Associate degrees, as well as certificates and diplomas in business and graphic communications (printing).

Programs of Study

Two programs of study are offered at Chowan: one, the first two years of college, leading to the B.S., B.A., and the various professional degrees in four-year colleges and universities; two, vocational programs for students who wish to enter specialized employment after graduation from Chowan. *All students must follow a curriculum as outlined in the college catalog. Any exception to this policy must be approved in writing by the Dean of the College, upon recommendation of the student's academic adviser.*

Department Honors Program: Some departments in the college offer specialized honors courses for highly qualified students. Participation in these courses is by invitation only. Information on these is given under the departmental headings listed in the Courses of Instruction. Interested students should contact the chairman of the department in which they wish to study.

Requirements for Admission

1. Chowan College desires to enroll only those persons who are trustworthy and studious and who possess those qualities that make for a congenial adjustment to college life. Evidence of good moral character, seriousness of purpose, and desirable personal traits will be considered of first importance.

2. Every applicant for admissions is encouraged to take the Scholastic Aptitude Test (SAT) of the College Entrance Examination Board. Scholastic Aptitude Test scores are used for advising and do not have to be filed for admissions purposes unless specifically requested by the Admissions Committee. It is recommended that the Scholastic Aptitude Test be taken early in the senior year.

When evaluating an applicant's qualifications for acceptance, careful consideration is given to the candidate's scholastic record in high school,

rank in class, Scholastic Aptitude Test scores if available, recommendations of the Principal or Counselor, evidence of character, purpose in life, motivation, and ability to identify with the objectives, purposes and philosophy of Chowan College.

3. American College Testing (ACT) scores will be acceptable in lieu of SAT scores.

4. The basic academic requirement for admission is graduation from an approved high school with a minimum of eighteen (18) units. It is desirable, but not mandatory, that a liberal arts student submit:

English	4 units
Algebra	2 units
Foreign Language	2 units
Plane Geometry	1 unit
Lab. Science (other than general)	1 unit
Other Courses	8 units

A student who does not offer any one of the foregoing units and who plans to transfer to a college requiring them, or to follow a program of study in which they are required, will be expected to take them at Chowan.

The Board of Trustees of the College reserves the right to change Admission Requirements at any time.

Pre-Admission Campus Visit And Interview

Candidates for admission and their parents are strongly urged to schedule a campus visit and interview. Appointments are arranged through the Office of Admissions (919/398-4101). Visits and interviews are welcomed during office hours from 8:30 a.m. until 5:00 p.m. on weekdays and from 8:30 a.m. until 12:00 noon on Saturdays. Experience indicates that students who visit prior to enrolling identify with the college environment more easily. During campus tours prospective students visit residence halls as well as academic, recreational, and medical facilities. A conference with an admissions representative gives one an opportunity to ask questions about policies of the college. Such conferences provide the ideal setting for students and parents to become familiar with ways Chowan can assist them in reaching their personal and education goals as well as their professional and career objectives. With sufficient notice arrangements can be made for overnight accommodations and meals on campus.

Admission Procedure

To gain admission to the college, the prospective student who has not previously attended college should:

1. Obtain all necessary forms by writing to: Director of Admissions, Chowan College, Murfreesboro, N.C., 27855.

2. Fill out completely the application for admission and mail it along with a $10.00 processing fee, which is not refundable, to the Director of Admissions.

3. File a request with the high school Guidance Counselor for a copy of the high school transcript to be forwarded to the Director of Admissions, Chowan College, Murfreesboro, N.C. 27855.

4. Take the Scholastic Aptitude Test and have scores sent directly to Chowan College (Code No. 5107) from the College Entrance Examination Board, Box 592, Princeton, N.J. 08540. Chowan does not require the SAT for admission purposes, but does use the score for advising and placement.

5. Upon acceptance to Chowan, make a $100 Advance Tuition Deposit. This deposit is credited to the student's account, reserves space for housing, and is refundable until April 30. After this date applicants are required to remit this deposit within 30 days of their acceptance.

6. Expect to receive an admissions decision within ten to fifteen days after the Director of Admissions has received the application, application fee of $10.00 and high school transcript.

7. In addition to the procedures listed above, international students are to file with the Director of Admissions an official financial statement form and must be able to think, study, and communicate at the college-level in English as a second language.

Candidates for admission by transfer should follow the procedures listed above and *request that an official transcript from each institution of higher education attended be forwarded to the Director of Admissions, Chowan College, Murfreesboro, N.C. 27855.*

Note: Students who are not graduates of approved high schools (including persons who qualify under the G.E.D. test) may be admitted to the college by special permission.

Medical Report—A complete medical report is required of all students before they matriculate. The student should return this report as soon as possible after he is granted acceptance by the Director of Admissions. This provides the college nurse and her associates an opportunity to study the medical reports of incoming students prior to their actual enrollment.

Special Admission for High School Seniors

1. High school students who have completed their junior year, who rank in the upper one-third of their class, and who obtain a recommendation from their principal, are permitted to enroll in regular college classes on a special student basis during the Summer Session. These students are expected to return to their high schools for their senior year.

2. Area high school students who are in their senior year, who rank in the upper one-third of their class, and who obtain both release time and a recommendation from their principal, may enroll in college level courses on a special student basis.

Transfer Students

A transfer student is a student who has been enrolled in one or more courses in another institution of higher education prior to enrolling at Chowan College. Students who transfer to Chowan from other institutions must have their academic transcripts sent to the Director of Admissions before being admitted.

Chowan College will accept in transfer educational credits earned by a student in another accredited college or university, when such work is

equivalent to work offered at Chowan College. Normally the college will accept in transfer only work on which the student has earned a grade of C or better. Grades of D may be accepted in transfer, however, if the student has earned an average of C or better on all work attempted at the sending institution. When Chowan accepts credits from other institutions, these are accepted at face value. The Registrar is charged with the responsibility of evaluating transcripts of transfer students. For additional information concerning the awarding of transfer credits, the student should write to the Registrar, Chowan College, Murfreesboro, N.C. 27855.

Special Students

Special Students who wish to receive credit for courses taken should follow the same admission procedure as regular students.

International Students

Chowan College has been approved by the United States Immigration Service and the Office of Education for the admission of students from other countries.

Students in Good Standing. A former student who was in good standing with the college at the time of his withdrawal is eligible for readmission. Such students should request readmission by writing to the Director of Admissions, Chowan College, Murfreesboro, N.C. 27855.

Further, such students must normally be eligible to return to the last institution attended in order to be granted readmission to Chowan.

Students Under Academic Suspension. A student under academic suspension must normally remove his academic deficiencies in the Chowan College summer session before being granted readmission. Any exception to this policy must be made by the Dean of the College and/or the Academic Affairs Council. Requests for readmission should be addressed to the Dean of the College, Chowan College, Murfreesboro, N.C. 27855.

Systems of Grades

A-Excellent
B-Above Average
C-Average
D-Below Average
F-Failing
S-Satisfactory
U-Unsatisfactory

W-Withdrawal (Medical)
WP-Withdrawal Passing
WF-Withdrawal Failing
NG-No Grade Reported
I-Incomplete

The grade of "I" is recorded only in case of illness or emergency resulting in the student's not being able to complete the work of the course. If the work recorded as "I" is not completed before the end of the following semester it will be considered as equivalent to an "F".

All deficiencies must be removed thirty days before the end of the last term of the student's graduation year.

Grades of "S" or "U" are issued only in non-credit courses.

All grades are final three (3) months after the date of issuance.

Quality Point System

Students are awarded quality points on the basis of the grade they make:
A-Four quality points per semester hour credit
B-Three quality points per semester hour credit
C-Two quality points per semester hour credit
D-One quality point per semester hour credit
F-No quality points or semester hour credit

A 2.0 quality point ratio is required for graduation. *This means that a student must have at least two quality points for every hour attempted. All courses taken at the end of the "drop" period will be considered work attempted, with the last grade on repeat courses taking preference. Repeat courses will be considered "work attempted."*

Academic Honors

The attainment of the following cumulative grade point average entitles graduating students to honors at Commencement:

Summa Cum Laude . . . . . 3.80 to 4.00
Magna Cum Laude . . . . . 3.50 to 3.79
Cum Laude . . . . . 3.20 to 3.49

The following semester grade point averages entitle the student to honors in the academic year:

President's List 4.00
Dean's List . . . . . 3.50 to 3.99
Honors List . . . . . 3.00 to 3.49

Any grade below "C" in a particular semester will disqualify a student from placement on any honor's list in that semester. Further, any grade below "C" during a student's college career will disqualify him from an honors at Commencement. A grade of "U" on a non-credit course is considered less than "C" for these purposes.

Only regular students enrolled in 12 or more credit hours are eligible for placement on the President's List, Dean's List, or Honor's List.

Academic Regulations

Registration

Registration days are indicated on the campus calendar in the front of this catalog. All students should complete registration on the assigned days. Those students who enroll thereafter will be charged an additional fee of $5.00.

Standards for Academic Progress

1. In order to graduate, a student must accumulate at least twice as many quality points as the total number of semester hours attempted.

2. A full-time student who earns less than 9 hours and 18 quality points in a given semester will be placed on academic probation. (A full-time student is a student who in a given semester registers for 12 or more semester hours.)

3. A full-time student on academic probation who earns less than 9 hours and 18 quality points during his probation semester and who has accumulated a total of less than 18 hours and 36 quality points for two consecutive semesters will be academically ineligible to enroll for the next semester. He may return to the college only after he has made up his deficiencies in the summer session at Chowan College.

4. Standards for special students will be determined by the academic dean. (A special student is a student who in a given semester registers for less than 12 semester hours.)

5. For purposes of meeting continued enrollment requirements only, successful completion of a non-credit developmental course will be considered the equivalent of earning a grade of "C" in a three hour credit course. The college awards no actual credit for successful completion of developmental courses.

Regular Student Load

The normal academic load for a regular student is 15-16 *credit* hours per semester. No student may carry more than 18 semester hours except by special permission from the Dean of the College. ALL REGULAR STUDENTS MUST CARRY A MINIMUM OF TWELVE HOURS PER SEMESTER.

Special Student Load

Special students are allowed to carry a maximum of 11 hours per semester. These may be credit hours, non-credit hours, or a combination of both.

Reports

At the end of each semester a report for each student is sent to the student and to his parents or guardians. This report contains the grades and the number of absences. These grades are recorded on the permanent records in the Registrar's Office. A progress report is sent to the parents or guardians and students at mid- semester.

Sophomore Classification

To be classified as a sophomore, a student must have earned, by the beginning of his third semester, at least 25 hours and 50 quality points.

Class Absences

Students are expected to attend all meetings of their classes. Professors will keep class attendance records and these records become a part of the student's official transcript. An excused absence may be allowed for the following reasons:

1. Illness of the student, verified by a doctor or by the college nurse on forms provided for this purpose. Boarding students too ill to attend classes must report to the infirmary, unless otherwise directed by the college nurse.

Excused Absences for Illness-Boarding Student: In order to be excused from classes for reasons of personal illness, a Boarding Student must report to the Infirmary, prior to missing any class for which he seeks to be excus-

ed. The student may be confined to the infirmary or to his room for such period of time as the College Nurse deems necessary.

Excused Absences for Illness-Day Students: In order to be excused from classes for reasons of personal illness, a Day Student must bring an excuse from a parent or physician, certifying his illness.

2. Representation of the college, when such representation is reported by the appropriate faculty or staff member and approved by the Dean of the College.

3. Death of a member of a student's family.

4. Sickness in the family which requires the attention of the student, verified by a physician.

A student desiring to obtain an excused absence for any reason other than those listed in this Catalog must have same approved by the Registrar *prior to the absence.*

A student who wishes to be excused from class should report to the Office of the Registrar at least two days prior to the absence or immediately upon his return to class. He will be issued a Form 50 which must be submitted to the professor for his approval and returned to the Office of the Registrar within (5) days after his return to classes. *If this action is not taken by the student, the absence will be recorded as unexcused.*

Unexcused Absences

Unexcused absences are those which are not listed under the above reasons for excused absences. Students may take the following number of unexcused absences without penalty:

In no class is a student permitted more than four unexcused absences. In classes that meet twice a week, the student will be permitted only three unexcused absences; in classes that meet only one time per week, two unexcused absences. (No unexcused absences are permitted in laboratories.) Excessive unexcused absences will result in a student's grade being reduced by one letter grade per excessive absence.

A student may appeal any of the above actions to the Absence Committee by written application, co-signed by the professor. Such application should be submitted to the Chairman of the Absence Committee within (5) days after the student's return to class. If the committee agrees to permit credit, the student will be granted the privilege of making up the time and work in a manner satisfactory to the professor.

Three (3) class tardies will be treated as one (1) unexcused absence. Tardiness is the failure to be in the classroom at the time of the tardy bell. A student who enters (10) minutes or later after the tardy bell automatically receives an unexcused absence, unless an acceptable excuse is presented.

It is always the student's responsibility to keep up with his absences, excused and unexcused, in all classes. In every case, the professor's record will be considered official as regards the number of absences a student has taken.

Loss of Credit

Normally a student who misses any class more than twelve (12) times (to include both excused and unexcused absences) will not receive credit for the course. In a class which meets twice per week, the student may not miss in excess of eight (8) times and still receive credit; in a class that meets one time per week, a total of four (4) absences.

Excessive unexcused absences may result in a student's being dismissed from the college.

Developmental (Remedial) Courses

During orientation, all new students are required to take placement tests in the areas of English, mathematics, and reading. These tests are diagnostic in nature and are designed to determine the student's level of proficiency in the affected areas. In cases where test results indicate specific academic deficiencies, a student may be advised or required to enroll in a developmental (remedial) course or courses. Developmental courses are currently being offered in the areas of reading, English, and mathematics. Since this work is of a remedial nature, no academic credit is awarded for successful completion.

Assembly Attendance

All students who are enrolled for 12 or more semester hours are required to register for and to attend Assembly. A student may accumulate as many as four (4) unexcused absences each semester without penalty. When a student accumulates five (5) or more unexcused absences, he/she will be expected to remove all excessive absences in a manner satisfactory to the Associate Dean of Students.

Procedure for Changing Classes and Courses

1. Obtain proper form from the Office of the Registrar.
2. Secure the approval and signature of adviser.
3. Secure the approvals and signatures of the professors in whose classes changes are being made.
4. Secure the approval and signature of the Dean of the College.
5. Return form to the Office of the Registrar.
6. A student who finds it necessary to change from one class to another class in the same course or from one course to another within the Drop-Add period listed in the Chowan College Catalog Calendar will transfer all unexcused and excused absences.

A student may be charged a fee of $5.00 for each class change, if such a change is primarily for the personal convenience of the student. The Registrar of the College will determine whether or not this fee will be charged, based on the merit of each case.

Dropping of Courses

Courses may be dropped under the following circumstances:

1. Classes may be dropped without academic penalty as late as one week prior to the mid-term grading period. The last date for dropping a course without academic penalty is listed in the catalog calendar. Courses dropped within this period are not listed on the student's permanent record.

2. Withdrawal from a course after the official drop period as listed in the catalog calendar will result in a grade of "F" on each course dropped.

3. Exceptions to item 2 may be made in extreme cases, such as the reasons given in the catalog for excused absences. These exceptions must be approved by the Dean of the college, the Absence Committee, or both. If the Dean of the College or the Absence Committee approves the dropping of a course because of extenuating circumstances, the student will receive a "WF" or "WP" on the course, unless the drop is medical, in which case the grade will be recorded as "W". A physician's certificate is required for a medical drop.

4. In order for a student to withdraw officially from a course, he must follow the "Procedure for Changing Classes and Courses", as outlined above. Unofficial withdrawals result in a grade of "F" on each course dropped.

Repeating of Courses

1. In the event that a student repeats a course, the last grade earned will be considered his final grade, and will be considered work attempted.

2. Courses in which "D's" are earned will transfer to many senior institutions if the student has a "C" average on all work attempted at Chowan College.

3. Students in vocational programs should repeat any courses in which "D's" are earned if such courses are in their major area of concentration. However, any student will be allowed to continue if he does not repeat the course in which a "D" is earned.

4. It will be the responsibility of the student to determine if a "D" should be repeated. The college will not be responsible for "D's" that do not transfer to senior institutions.

Re-Examinations

A final semester candidate for graduation may apply for only *one* re-examination if extenuating circumstances justify it. The decision in this matter will be made by the professor involved, the Dean of the College, and the chairman of the department. In case the chairman of the department is the professor, another professor will be called in to act.

No grade higher than a "C" may be assigned as a result of re- examination.

A special re-examination will not be given until the student has had adequate time to do further study, which, in the judgment of the professor, justifies a re-examination.

A re-examination must be authorized by the Dean of the College and preceded by the payment of the required $5.00 fee.

Make-Up Tests

All students who desire to make up a test or tests which were missed due to excused absences will be required to make up test or tests as specified by either the individual professor or departmental policy.

College Level Examination Program

Chowan College participates in the College Level Examination Program (CLEP) of the College Entrance Examination Board. Credits are granted on the basis of both General Examinations and Subject Examinations in cases where the student scores at or above the level most recently recommended by the Council on College-Level Examinations of the College Entrance Examination Board. For information on specific CLEP credits acceptable at Chowan College, contact the Registrar of the College.

All students who seek credit by CLEP should be aware of the following matters:

1. No student may receive credit for a Subject or General Examination if it duplicates in part or total any college level course for which he has already received credit.

2. Credit granted by CLEP will be reflected on the student's transcript in terms of semester hours only. No letter grade will be recorded and no quality points assigned. The actual score achieved on a CLEP examination will be recorded on the transcript. A student's quality point average will be determined by grades achieved in regular college courses.

3. Credits by CLEP will be recorded on the student's transcript only after he has matriculated at the college and earned a minimum of 18 semester hours.

4. While more than 1,000 American colleges now participate in CLEP, all do not participate to the same degree, nor do all necessarily accept the credit level as recommended by CLEP. In every case, any student who seeks credit by CLEP does so on his own responsibility, so far as transfer of credit is concerned.

CEEB Advance Placement Program

High school students enrolled in Advance Placement (Ap) courses may receive college credit by taking AP examinations upon completion of the courses and forwarding the results to the Office of Admissions for evaluation. In general, Chowan College awards credit for courses on which the student earns a score of three (3) or better on the appropriate Advance Placement Test.

Credit awarded by AP will be reflected on the student's transcript in terms of semester hours only. No letter grade will be recorded and no quality points assigned. The actual score achieved on the AP examination will be recorded on the transcript. A student's quality point average will be determined by grades achieved in regular college courses.

Guidelines Concerning Course Waivers

Course Waivers (No Credit Given):

In the matter of non-credit course waivers for purpose of placement, the chairman of each department shall have the authority to make the decisions.

Course Waivers (Credit Earned by Examination):

Departmental examinations for credit hours toward graduation (See College catalog for CLEP, and for Advanced Placement)

In exceptional circumstances students of proven ability who have independently pursued a systematic course of study may attempt, upon recommendatin of the department concerned and endorsed by the Dean of the College an examination to establish credit.

Regulations:

1. Departmental examinations for credit may be given only on those courses which have been designated by the department.
2. The student must consult in advance with his adviser and with the head of the department concerned.
3. Applications shall be made to the Dean of the College with the written permission of the head of the department concerned.
4. A fee will be charged, payable after the application has been approved. There will be no refund of any part of this fee regardless of the outcome of the examination.
5. No more than 8 semester hours may be earned toward fulfillment of graduation requirements by this method.
6. Credit and quality points will be granted only if the level of performance is "C" or better.
7. Examinations for credit must be taken before the beginning of the last semester or before a summer session of work immediately preceding completion of requirements for graduation.
8. No examinations for credit may be taken in a course during the semester in which the student is auditing that course.
9. Each examination shall be a written examination, except in certain cases where mastery of techniques must be demonstrated either in combination with or in lieu of the written examination. The examination shall be kept on file in the office of the Dean of the College.

Withdrawal from the College

1. A student who finds it necessary to withdraw from the college must consult with the Dean of the College and the Bursar and arrange for regular withdrawal. Unless this is done, honorable dismissal will not be granted. All withdrawals are initated in the Office of the Dean of the College.
2. Students who withdraw after the mid-term grading period, which is designated in the Calendar of the catalog, will receive an "F" on all courses being taken at the time of withdrawal and hours will be counted as work attempted. Exceptions to this policy will be the following reasons:

a. Illness, in which case a physician's certificate must be presented and approved by the Dean of the College.

b. Death of a member of a student's family.

c. Sickness in a family which requires the attention of the student, verified by a physician.

For students withdrawing from the college for the above reasons, semester hours will not be counted as work attempted and will be recorded as withdrawals from the college on the date indicated on the withdrawal form. For other withdrawals prior to the mid-term grading period, work will not be recorded as work attempted but will be recorded as withdrawals from the college on the date specified on the withdrawal form. When a student withdraws from the college after mid-term for any reason other than those listed above, the faculty members involved should submit to the office of the Registrar the student's grade card showing an "F" on the course which will be recorded in the transcript of the student. Also, the professor should show the student's actual grade which will be used by the Admissions Committee in determining the student's eligibility for re-admission to the College.

Transcripts

Upon request, a student is entitled to one free copy of his college transcript. For additional copies there is a fee of $2.00 each.

Whitaker Library

Whitaker Library, dedicated in 1968, is a handsome, efficient, modern building designed to be the center of the educational process. It provides seating space for 330 students, including space at 173 individual study tables. Here also is the Antiquities Room, which serves as a depository for old and rare books. The Antiquities Room also houses the Creech Baptist Collection.

The book collection numbers approximately 80,000 volumes. Books are readily accessible on open shelves.

Whitaker Library is open 72 hours per week and is well staffed to provide complete services to students.

The Curricula

Those students who, at the time of entering college, have not fully decided which course of study they desire to pursue are advised and urged to register for the liberal arts curriculum. Work in the liberal arts leads to degrees in teaching, medicine, religion, law, business administration, science, journalism, and various other professional fields.

Departments of Arts and Sciences

The study of the arts and sciences serves several purposes.

To Communicate. The development of the ability to communicate is greatly aided by the study of languages (including English) and related subjects.

To Inquire Accurately. The study of natural and social sciences provides students with that broad knowledge of the world and the universe which is so important to human experience.

To Understand. The study of the humanities brings an understanding of the cultural heritage of the Western World and stimulates an appreciation of other cultures.

To Encourage Moral Growth. The study of religion encourages the development of a mature philosophy of life, whereby one acquires worth and personally satisfying life goals and the ability to make appropriate value judgments.

To Reason. The study of the sciences challenges the individual to think independently and creatively and helps to develop his skill in using the various methods of thought, research, and judgment.

In short, studies in the liberal arts and sciences broaden the student's understanding of himself, his cultural heritage, and his universe, and thus, provide him with a strong foundation on which he may add successfully, throughout his life, additional blocks of knowledge.

Department of Business

The basic purpose of business is to provide young men and women with the necessary specialized training for a future of self- reliance and economic opportunity. Because the student of business should know the art of living as well as working, opportunities are offered for study in the arts and humanities.

The Department of Business offers transfer and vocational courses and curricula to serve the needs of all students.

1. *Program for Transfer Students.* Two years of studies are available to the student who plans to graduate from a four-year institution. The student who wishes to major in business administration, accounting, computer information systems, economics, finance, marketing, management, or office administration, may qualify for junior-level status at a senior college or university by completing the first two years at Chowan College.

2. *Program for Vocational Students.* For the student who does not plan to continue his education beyond Chowan College, the Department of Business offers comprehensive programs in business-vocational training. The department has as its objective the preparation of the student for employment in the field of accounting, computer information systems, office administration, merchandise management, or general office training. This entire program is so planned that any student who desires to transfer to a four-year institution may easily do so. He may contact the chairman of the department for additional information.

Policies

Typewriting:

Each student enrolled in the Department of Business is advised to complete A MINIMUM OF ONE COLLEGE-LEVEL COURSE IN TYPEWRITING.

Placement in the typewriting course levels is as follows:

(c) A student with one complete year of high school typewriting, with a grade of "C" or better, will enroll in Typewriting 102.

(d) A student with more than one year of high school typewriting, with a grade of "C" or better, will enroll in Typewriting 102.

Any exceptions to the above guidelines are to be approved by the student's adviser, the instructor concerned, and the departmental chairman.

A minimum of two courses in college typewriting is normally required for all office systems management programs. Exceptions may be made where students achieve exceptional speed and accuracy levels. An approved substitution report will be executed by the student's adviser where such exceptions are made.

Division of Foreign Languages

Basic and intermediate courses are taught in French and Spanish.

Placement: Students with one or more years of high school Spanish or French should confer with the appropriate instructor in order to determine what course in language to take at Chowan. If a student has taken one or more years of language in high school but still feels his background is inadequate, he may elect to begin with the basic first year college sequence and will receive full credit at this institution. Students with three or four years of high school language may be able to satisfy language requirements without further language study at Chowan. Transfer students with college credit already earned in Spanish or French should continue with the next highest language course offered here until the requirements of their curriculum are met.

Credit: All courses in the department carry three hours of academic credit. Spanish and French 101, 102, 201, and 202 meet three times a week.

Requirements: The following programs of study require foreign language for graduation from Chowan College: Liberal Arts, Pre-Ministerial, Pre-Law, Pre- Pharmacy, Pre- Journalism. Students in other areas may need to take foreign language unless they are certain that it is not required at the senior institution to which they plan to transfer.

THREE ANALOGIES

Do you remember if ever
We thought of a team of horses,
Obedient to the "gee" and "haw,"
The field's stubble crackling
In the morning's lucent air?
    The horses sneeze; leather reins shudder,
Then snap taut--the field proves rockier
Than expected, its contours
Steeper and more perilous.

Did we think of Great Northerns,
Feet weebed in blackest silk,
Iridescent jewels at their throats?
    Their wings whip and whistle
In the thinner air, they breathe
Darker clouds, pulling--it seems forever--
Up from the whisper of shot,
Making for the moon as though
It too were a rush-rimmed lake.

Did we consider a family of deer:
Doe and mossy-nosed fawn
Scenting the wind? Their eyes
Mirror the naked sapling, the fierce sumac.
    Through a November afternoon,
The buck marshals them;
He smells the bitter frost ahead,
Already tastes the bitter, frozen bark.

If, in our wisdom or good luck,
We did not carry these analogies
Far enough, perhaps it's just as well.
    Things are often less
Than their beginnings,
So often, less than the love.

DIABETES

Easter Morning, 1983

First I was a sink, both mouth-drain gulping
And fickle faucet flowing with a force:
Drinkingmakingdrinkingmaking.

Next a scented sweet desert fruit, blonde Cleopatra
With pomegranate perfume lips and tongue: next
Tantalus stooping to drink and reaching to eat
But the water is salt and no good and the fruit white poison
Or nothing more than vinegar and gall.

But now I am waking,
The black-eyed, bad-appled princess,
To a wet and magic kiss, balancing forever on a single thorn,

Or Christ's thief waking in some tomb,
Skin and bones yet, but the wounds healed,
Receiver of some promise, swallowing my daily bread,
Forgiving myself of the death that is in me.

I am new again but now new:
A wartime dress turned inside-out to wear again.

Oh needle crucifix you are beautiful steel.

"RUE Royale"

You been talkin bout comin down here
for monthes now
takin me with you on that
SWEET SLIDIN SLOW trombone of factual fiction.

So finally we take a Greyhound west
to the muddy hand print delta
fingers outstretched yearnin into the Gulf of Mexico
and a Regional Transit Authority bus named DESIRE
to the QWAH WAH WAH TER of blues

With the iron grillwork so unlike the fire escapes
up north and the everybody winkin at you
girls and boys alike. Ceramic mammy salt shakers
remindin you it's not all GONE WITH THE WIND
and Willie Mae bangin an iron swatter BUM BUM BUM BUM BUM

Gainst a flea infested oriental rug
the humidity's been makin stink and her clients
been complainin bout the itchin anyhow
And we sit drinkin long neck beer suckin it up
without a glass
SWEET SLIDIN SLOW down our throats.

MOTHER FROG AND THE DUCK

I threw a frog
under the speeding
Desoto tire.
The frog popped
in the summer of '45.

My mother said,
That was a mother frog!
What would you think
if a giant hand
threw me under a big tire
and I popped?

Twenty years later,
you took Jimmy's duck
(who looked thirsty)
and helped it drink
by holding its quacking head
under washtub water.

Your mother said,
That was Jimmy's duck!

POOMPH.
Do you still feel
wet limp ducks?

CUTTING THE ROSE BUSH BACK

I know that the rose bush at home
threatens the porch. Its thorns catch my son
and prick the coat my father gave him,
when he lived for cutting back that bush.
Teaching it to my child,
he waved its disconnected parts
like bones or burning branches to the sky.

I know that the cherries have ripened,
and stain the boy's fingers.
Picking them, he runs to his mother,
and smears her white blouse red.
For her, he dances in the sun,
but here he swells like a bruise
in his grand-daddy's memory.

For him, the sun is clipped
between clouds and blackening trees
that press against our window.
Nurses work through his white walls;
he recalls their faces like flowers
in a vertical plot, calling them
from the walls by their Latin names, begging
me to repeat the flowers after him.

My father asks me for my son.
I talk about the rose bush instead,
telling him I know it needs his cutting.
For him, I write our lives amount
to words connecting words.
From clouds birds fly into trees.
My son is cutting roses now.

THE EVENING IMPROVISES IN HIGHLANDS, N.C.

At 4,118 feet I think my hands
would like to become crows.
Instead, like the cowards they are,
they hide in pants' pockets, ball their fists,
but refuse to come out & take flight.

At 4,118 feet a lighted hotel window
obscured by trees looks like the rising moon.
The moon rising looks like a silver coin
blinking in the gutter at my feet.
My feet still look like feet, though
they sound like a thunderstorm
walking through leaves deep in the street.

Meanwhile the moon
quick changes behind a cloud and Voila!
performs its impression of a waitress's
face in an all night diner
in which everyone, even the knives,
have fallen asleep.

At 4,118 feet in a strange town
at 3 a.m. the moon follows me
like a cheap detective, warning
me to watch my step, better not
make move one, but I just keep on
howling like a lost dog.

MY NAME

was given by a dream
A man my mother first loved
and not for my father (who
loved her years later) ever
to know she told me when
I was sixteen you see she
loved by father but held the
fantasy of her first (who
never was her lover) when
she held me close for a name
So today I am the feminine
form of another (but could
you imagine me as Geraldine
or Regina) who never heard
of my birth and I approve
her choice while I breathe
as the touch of a dream
my father will never know

MY LAST REGRET
for Robert Browning and John Donne

I watched the fly clean
his prism-like wings
and then
I squished him with my finger.
He was covering a word on my magazine--
I have no time for lover-sentimentality.
I did it so quickly
he probably didn't see what hit him.
Still, it is a shame to think that
after he'd groomed his wings he was planning
to go out and find another fly
or maybe enjoy himself
among the banana peels and coffee grinds.
What a tragedy! A life ended in mid-bath!
I imagine myself leisurely reading *Vanity Fair*
while soaking in the valleys
of a mountain range of bubble bath, and
Suddenly, when I'm about to find out with whom
Mrs. Randolf, wife of the well-to-do Nigerian oilman,
has been playing midnight rounds of golf,
a roar from above breaks through the roof,
tears the celing like foil,
and the foot of a fly presses its dense weight upon me,
squeezing my entrails out
of my surprised mouth; I look down
in horror from above my pureed body. . .

Flies probably don't have consciousness.

SONNET 1

Poets are fools, immortalizing girls
Scarcely ever worth the precious time
It takes to fib about their ersatz curls,
Small minds, or venomous tempers, in tight rhyme.
For instance, dear, it's said objective men
Once glimpsing you, don't waste a second glance;
It must be some mere fancied graces, then,
Which grip me helpless in erotic trance.
As for your heart, it's stupidly perverse
And moody-rude, coquettish, mean, by turns:
Unworthy of some almost perfect verse
That with a poet's desperate passion burns.
Still, that high torture you inspire for me
Could give your blatant faults eternity.

INGENUE

was it the innocence or the glands
that made her fantasize the men
with their dangerous hands?
always knowing what to touch
and why.
the teacher, the taker, the music-maker. . .
she had memorized their arms
like lines in a play.
but always the wonderment
and the uncertain virginity
her nightly pillow kiss-practicing
courting lips and fingers
in endless combinations.
